Market note: Developer launch prices (2021-2022) for 721 sq ft were ~RM950k-980k (RM1,320-1,360 psf). In subsale they have softened to the RM715k-830k band. A few RM405k-443k entries in the data are bulk / related-party transfers, not open-market deals, and are excluded.

CURRENT ASKING (portals)

- Typical listings: RM 720,000 - 760,000
- One outlier at RM 899,000 (above market, will sit)
- Freehold service residence, 2-bed layout

RECOMMENDED ASKING

- Standard (mid floor, basic): **RM 770k - 790k** → close ~RM 730-755k
- High floor / renovated / furnished: **up to RM 800k-830k**
- Avoid RM 899k, it draws lowballs and stales

BOTTOM LINE: Fair value for a 721 sq ft unit is ~**RM720k-770k**. List a standard unit at **RM770k-790k** for room to negotiate down to the mid-RM700k comps; a strong (high-floor / renovated / furnished) unit can justify up to **RM830k**. Final figure depends on floor, facing, condition and furnishing.
